

Paquet de l'Avent 2011 (Train Simulator 2012)

Dans ce pack, vous trouverez 25 scénarios à jouer sur plusieurs lignes différentes. Le principe est le même que le calendrier de l'Avent. Chaque jour, un scénario vous est proposé. Le premier débute le 30 novembre et le dernier le 24 décembre. De quoi vous mener doucement jusqu'à Noël...

Certains scénarios requièrent du matériel payant ou une route payante. Le pack n'est donc pas utilisable entièrement avec seulement le matériel de base. Veuillez bien regarder les détails pour chaque scénario dans la liste que vous trouverez plus bas.

Langues: les langues des scénarios sont schématisées à côté du titre par des petits drapeaux. Tous les scénarios sont disponibles en anglais, en allemand et en français minimum.
